Dear Sunshine Tour and DP World Tour members

RE: AfrAsia Bank Mauritius Open Flight Group Booking

The Sunshine Tour and the AfrAsia Bank Mauritius Open organising committee have investigated multiple options to provide a cost-effective solution to the travel to the AfrAsia Bank Mauritius Open. This included a private charter for players, caddies and staff.

After evaluating the numerous options the Sunshine Tour has managed to secure a group booking with SAA who are adding the Mauritius route to their flight schedule. This flight will not be advertised publicly. We believe this is the most effective travel solution taking into account cost, travel time, number of seats available, departure time and return dates.

We have negotiated a private booking portal as this flight will not be made available for public booking.

Players and caddies will have the first option to book seats on this flight. Depending on availability, the balance of the unsold seats will be made available to players' guests and support staff at a later stage.
